42.1201 Definitions.

Change-of-name agreement means a legal instrument executed by the contractor and the Government that recognizes the legal change of name of the contractor without disturbing the original contractual rights and obligations of the parties.

Novation agreement means a legal instrument executed by (a) the contractor (transferor), (b) the successor in interest (transferee), and (c) the Government by which, among other things, the transferor guarantees performance of the contract, the transferee assumes all obligations under the contract, and the Government recognizes the transfer of the contract and related assets.

42.1202 Responsibility for executing agreements.

The contracting officer responsible for processing and executing novation and change-of-name agreements shall be determined as follows:

- (a) If any of the affected contracts held by the transferor have been assigned to an administrative contracting officer (ACO) (see 2.1 and 42.202), the responsible contracting officer shall be—
 - (1) This ACO; or
- (2) The ACO responsible for the corporate office, if affected contracts are in more than one plant or division of the transferor.
- (b) If none of the affected contracts held by the transferor have been assigned to an ACO, the contracting officer responsible for the largest unsettled (unbilled plus billed but unpaid) dollar balance of contracts shall be the responsible contracting officer.
- (c) If several transferors are involved, the responsible contracting officer shall be—
- (1) The ACO administering the largest unsettled dollar balance; or
- (2) The contracting officer (or ACO) designated by the agency having the largest unsettled dollar balance, if none of the affected contracts have been assigned to an ACO.

42.1203 Processing agreements.

(a) When a firm performing Government contracts wishes the Government to recognize (1) a successor in interest to these contracts or (2) a name

change, the contractor shall submit a written request to the responsible contracting officer (see 42.1202).

- (b) The responsible contracting officer shall—
- (1) Identify and request that the contractor submit the information necessary to evaluate the proposed agreement for recognizing a successor in interest or a name change. This information should include the items identified in 42.1204 (e) and (f) or 42.1205(a), as applicable;
- (2) Notify each contract administration office and contracting office affected by a proposed agreement for recognizing a successor in interest, and provide those offices with a list of all affected contracts; and
- (3) Request submission of any comments or objections to the proposed transfer within 30 days after notification. Any submission should be accompanied by supporting documentation.
- (c) Upon receipt of the necessary information, the responsible contracting officer shall determine whether or not it is in the Government's interest to recognize the proposed successor in interest on the basis of—
- (1) The comments received from the affected contract administration offices and contracting offices;
- (2) The proposed successor's responsibility under subpart 9.1, Responsible Prospective Contractors; and
- (3) Any factor relating to the proposed successor's performance of contracts with the Government that the Government determines would impair the proposed successor's ability to perform the contract satisfactorily.
- (d) The execution of a novation agreement does not preclude the use of any other method available to the contracting officer to resolve any other issues related to a transfer of contractor assets, including the treatment of costs.
- (e) Any separate agreement between the transferor and transferee regarding the assumption of liabilities (e.g., long-term incentive compensation plans, cost accounting standards noncompliances, environmental cleanup costs, and final overhead costs) should be referenced specifically in the novation agreement.
